Celtic Wedding Blessing

1. We swear by peace and love to stand
heart to heart and hand to hand.
Mark, O spirit, and hear us now,
confirming this our sacred vow.
2. They swear by peace and love to stand
heart to heart and hand to hand.
Mark, O spirit, and hear us now,
confirming this their sacred vow.

There, they stand, hand in hand
and exchange their wedding band.
All of you who are here to say:
Celebrate and bless this couple who marry today!
